

# The Zones Reimagined

First Ever **In-Person Workshop** on the **ALL-NEW Digital Curriculum**.

Discover a whole new way to teach and implement The Zones of Regulation.

Join Leah Kuypers and The Zones Team for an **in-person workshop** to discover the next evolution of The Zones of Regulation framework and the all-new Digital Curriculum.

Whether you are new to The Zones or a veteran Zones leader, you will benefit from hands-on learning and community discussion that propels your understanding to the next level and prepares you for implementing the all-new Zones of Regulation Digital Curriculum.

## Learning Objectives

- Utilize hands-on teaching methods to transform Zones Signature Practices into practical use.
- Apply, differentiate, and adapt The Zones Digital Curriculum for a diverse range of learners.
- Navigate The Zones Digital Curriculum to develop accessible, engaging, and meaningful instruction.
- Integrate Zones Climate Elements to foster regulation and inclusion.
- Prepare and plan for Zones implementation and progress monitoring.

## Audience

Anyone interested in learning how to implement The Zones of Regulation Digital Curriculum.
